

DID YOU KNOW?

In order to keep Wellington residential districts clean and protect our quality living, we need to follow a few simple rules.

- 1. All solid waste shall be stored in garbage cans, which shall be maintained in a sanitary manner. Except as provided below, all garbage cans and recycling containers shall be kept indoors or in a portion of the rear or side yard that is screened from view by walls, fences or hedges.**
- 2. Garbage cans and other trash or recycling containers may be placed at the curb no earlier than 6:00 p.m. on the day prior to scheduled pick up and removed from the curb no later than 11:00 p.m. on the day of pick up.**
- 3. It is a violation for any owner or tenant to permit the accumulation of litter, yard debris or trash on any real property or the adjoining public right-of-way.**
- 4. Yard waste may be placed at the curb no earlier than 1 day prior to scheduled pick up.**

Please use the above rules when storing garbage cans and other trash or recycling containers, or when placing garbage cans and other trash or recycling containers at the curb.
